CSH NAMED $2 MILLION AWARDEE OF “NEXT OPPORTUNITY AWARD”

Award Will Expand Supportive Housing for Low-Wealth People and Families Throughout the Country

NEW YORK—September 27, 2012—Opportunity Finance Network announced Corporation for Supportive Housing (CSH) as an Awardee of a $2 million NEXT Opportunity Award. This award was made by the nation’s largest awards program for community development financial institutions (CDFIs), the Wells Fargo NEXT Awards for Opportunity Finance. CSH will use the $2 million award to expand lending activities in communities that have high levels of chronic homelessness and the greatest need for supportive housing through a National Loan Fund. The fund will enable CSH to expand into 10 underserved markets and will spur the creation of nearly 10,000 supportive and affordable housing units over 10 years.

CSH’s mission is to use supportive housing solutions to build strong, healthy communities and improve the lives of the most vulnerable people. CSH has directly supported the creation over 60,000 units of supportive housing and has made nearly $330 million in loans and grants.

“CSH is honored to receive a Wells Fargo NEXT Award for Opportunity Finance. We will use the award to build on our 20 years of success using supportive housing to build strong, healthy communities,” says CSH President & CEO, Deborah De Santis.

The Wells Fargo NEXT Awards for Opportunity Finance are presented by Opportunity Finance Network with support from Wells Fargo, The Kresge Foundation, and the John D. and Catherine T. MacArthur Foundation. The NEXT Awards is the nation’s largest awards program for the CDFI industry. It recognizes innovative and high-impact CDFIs that bring needed financing to low-income, low-wealth, and other disadvantaged people and communities across the U.S.

“Congratulations to CSH for being an Awardee of the NEXT Awards, which benefit low-income individuals and communities by spurring CDFI product and geographic expansion,” said Mark Pinsky, president and CEO of Opportunity Finance Network. “With this award, this high-performing and innovative CDFI will serve more low-income individuals and communities by expanding its coverage of supportive housing to new underserved areas.”

Awardees will be honored at a celebration on October 16 at Opportunity Finance Network’s annual Conference in San Antonio, TX.
