In order to qualify for Chronic Homelessness Status, the Head of Household must have a disability that is expected to be of long, continuing, or of indefinite duration, and substantially impedes the individual's ability to live independently, and could be improved by the provision of more suitable housing conditions. Qualifying disabilities for HUD projects include the following chronic conditions: Mental Health Disorder, Substance Use Disorder, Co-occurring Mental Health and Substance Use Disorder, HIV/AIDS, Physical Disability, and Developmental Disability. The documentation required for disability must be third party and include:

- Written verification from a professional licensed by the state to diagnose and treat the disability and certification that the disability is expected to be long-continuing or of indefinite duration and substantially impedes the individual's ability to live independently. This includes the Chicago CoC Verification of Disability Form (Exhibit I)
- Written verification from the Social Security Administration
- The receipt of a disability check

In the absence of the above noted methods of verification, an observation of a qualifying disability by an agency identified staff person may be used to temporarily verify disability. However, this must be confirmed by one of the above methods within 45 days of the applicant being housed. This option should be used sparingly. For HUD funded projects, if verification by one of the above mentioned types is not secured within the 45 day period, the funding for that bed will be impacted and may not be paid at all for the duration of the time the applicant is in the housing.

- An agency identified staff recorded observation of a disability. This must be documented by one of the above means no later than 45 calendar days from the applicant’s move-in date.

Note: Observation of a disability may include, but not be limited to, directly witnessing any of the following: an apparent physical disability, indicators of a chronic substance use, the presence of severe mental or emotional impairment, undue paranoia, or significant displays of inappropriate behavior, language, clothing, etc. Medications, prescriptions, and medical records for treatment of a disability may also be considered. Agencies may internally conduct a formal needs assessment or refer to an outside party in order to observe the presence of a qualifying disability or symptoms which indicate a disability.
In order to qualify for Chronic Homelessness Status, a person must have (A) been continuously homeless for the last twelve months OR (B) has a minimum of 4 occasions of homelessness over the past 3 years, totaling a minimum of 12 months. The applicant must have accumulated at least 12 months of homelessness. Occasions are broken up by “breaks”. A break is determined by the person having been in a place meant for human habitation (a friend’s couch, a hotel room, etc...) for a period of at least 7 nights OR in an institutional setting for a period of more than 90 days. Breaks may be documented entirely from self-certification. Stays in places meant for human habitation for less than 7 nights and/or institutional settings for less than 90 days do not count as breaks and can be counted toward the applicant’s homeless time accumulation.

If the time experiencing homelessness is not being verified entirely by the applicant's Chicago HMIS record, select and complete the chart below for the appropriate category, A or B. Attach 3rd Party Verification and Self-Statement Forms as needed.

**Section 4: Chronic Homelessness Determination**

Housing provider should complete the most appropriate of the 3 categories below indicating the applicant’s chronic homelessness status.

You should choose 1 of the 3 categories listed below and your determination should be based on the HUD criteria in Sections 2-3.

---

**Chronic Homelessness Verification Pending**

Upon careful review of the applicant’s self-statement and HMIS record, this applicant appears to meet the definition of experiencing chronic homelessness. Housing provider will pursue further documentation to confirm the applicant’s chronic homelessness status and complete the Chronic Homelessness Verification Packet.

---

The housing provider should immediately move forward with housing the applicant. All third party homeless documentation must be collected within 180 days of the applicant’s move-in date. If third-party documentation cannot be obtained, a written record of intake worker’s due diligence to obtain the documentation of the living situation should be included. All disability documentation should be collected within 45 days of the applicant’s move-in date.

Move-in date: _________________

180 deadline for additional homeless documentation: ___________ 45 deadline for disability documentation: ___________

If the applicant is marked Verification Pending, Section 4 should be revisited and updated when the applicant is determined to have moved from Pending to Verified or Ineligible.

**Please note HUD guidance released in November 2016 regarding homeless documentation:**

- 100% of households served can use self-certification for 3 months of their 12 months.
- 75% of households served need to use 3rd party documentation for 9 months of their 12 months.
- 25% of households served can use self-certification as documentation for any and all months.

---

**Chronic Homelessness Verified**

To the best of my knowledge, the Chronic Homelessness Verification Packet is complete and the applicant meets the definition of experiencing chronic homelessness.

---

**Applicant Determined Ineligible**

Upon careful review, this applicant does not meet the definition of experiencing chronic homelessness based on the following criteria:

☐ A. The applicant has not experienced 12 continuous months of homelessness nor 4 distinct occasions of homelessness in the past 3 years that total 12 months.

To the best of my knowledge, the applicant has experienced __________ occasions of homelessness in the past 3 years totaling __________ months. (Please see the Time Accumulation Worksheet for further details.)

☐ B. The applicant has not reported nor has staff observed a qualifying disabbling condition.

I recommend the applicant’s chronic homeless status be further reviewed by the CoC Coordinated Entry Entity/Referring Agency.

---

**For all referrals determined ineligible due to the household not meeting the definition of chronic homelessness, pages 1-3 of this packet must be uploaded to the applicant’s HMIS Client Profile prior to requesting a rematch. For instructions on how to upload the packet, visit http://tinyurl.com/chicagochverify.**
The following examples can be used as guidance in completing Section 3. An example for categories A and B have been provided, however the provider will complete the chart for only one category that most closely matches the applicant’s experience of homelessness.

**Category A**
The applicant has been **continuously homeless** for the past 12 months.

**Please start from the current occasion and work backwards in time.**

EXHIBIT II: Chicago CoC Coordinated Entry System, Approved 4/11/2017; Revised 1/30/2018
Verifying Chronic Homelessness

Please see the Appendix for the Chronic Homelessness Verification Packet

Housing providers will work with applicants to document their length of homelessness and disabling condition in order to verify chronic homelessness in all cases where chronicity is required. To do so, providers should use the Chicago Coordinated Entry System (CES) Chronic Homelessness Verification Packet.

HUD Defines Chronic Homeless as:

(1) A “homeless individual with a disability,” as defined in the Act, who:
   - Lives in a place not meant for human habitation, a safe haven, or in an emergency shelter; and
   - Has been homeless (as described above) continuously for at least 12 months or on at least 4 separate occasions in the last 3 years where the combined occasions must total at least 12 months
   - Occasions separated by a break of at least seven nights
   - Stays in institution of fewer than 90 days do not constitute a break

(2) An individual who has been residing in an institutional care facility for fewer than 90 days and met all of the criteria in paragraph (1) of this definition, before entering that facility; or

(3) A family with an adult head of household (or if there is no adult in the family, a minor head of household) who meets all of the criteria in paragraphs (1) or (2) of this definition, including a family whose composition has fluctuated while the head of household has been homeless.

Step 1: Complete Section 1/Chronic Homelessness Referral Worksheet

<table>

<tr>

<td>If the applicant’s disability has not been verified through HMIS move on to Step 2.</td>
</tr>
</tbody>
</table>

Step 2: Complete Section 2/Disability Documentation Checklist, and collect appropriate disability documentation as provided by the applicant

| Part 1 | If the applicant does not have disability documentation, ask the applicant to complete the Exhibit I Authorization of Release of Information to verify their disability. |
## Part 2
Request third party verification from the appropriate licensed professional by using **Exhibit 1 Verification of Disability Form**. *Note: The Verification of Disability Form does not expire and must be used as documentation regardless of the date it was completed.*

## Part 3
If third party verification cannot be obtained at this time, an agency identified staff person may observe the qualifying disability to temporarily verify the disability. This must be confirmed by one of the approved methods listed in **Section 2: Disability Documentation Checklist** within 45 days of the applicant moving into housing per HUD regulations.

In the event there is difficulty in obtaining written verification of the observed qualifying disability within 20 days of being housed, contact Nora Lally at HUD at nora.lally@hud.gov.

</tr>
<tr>
<td></td>

</tbody>
</table>
**HUD Guidance:** Homeless documentation should be obtained within 180 days of the household moving into their unit per HUD regulations and does not need to delay housing the applicant. It is considered best practice in Chicago to obtain homeless verification within 45 days of housing the applicant.

<table>

| Part 2 | Select Chronic Homelessness Verified when applicable |
| Part 3 | Select Applicant Determined Ineligible if appropriate |
| | • An HMIS status update must follow this determination to alert CES System Coordination Matchers that this person will not be housed by your program due to not being eligible if that is the case. The needs status should read “CES: Ineligible: Not Chronic” with a note included as to why the applicant is not eligible. |
| Part 4 | upload pages one through three to the Applicant’s HMIS Client Profile.
